Swiss time keepers & Burgundy grand cru exclusive tour

Tick tock, tick tock... The cadence of the flawless Swiss timekeeping pieces are well tuned! Let's push open the doors of this secretive world and see it through the eyes of the oldest Genevan luxury watch manufacturer *VACHERON CONSTANTIN*.

For the first time ever, *VACHERON CONSTANTIN* invites you for a one-of-a-kind insider's look into the *Haute Horlogerie savoir-faire*. Intimately guided, you will meet their talented craftsmen and experience up and close the work of art.

Put yourself in watchmaker's shoes and partake in a hands-on workshop experience where watch mechanism secrets will be unveiled to you.

From the big city lights of Geneva to the peaceful and breathtaking Grand Cru vineyards of Burgundy, re-energize in our hand-picked hotels where service has no equal .

The finest wines will be poured at your table and a first hand ludic wine tasting atelier will introduce you to the notoriety of the Burgundian *terroirs*.

Private savoury dinners will be paired with selected Cru wines at internationally renowned Burgundy houses.

Highlights at a glance

- Exquisite visit of the luxury watchmaker Vacheron Constantin
- Hands-on watchmaking workshop to understand the *time* mechanisms
- Be pampered while staying at the luxury hotels in Geneva and Burgundy
